A. Please contact me if you are willing to submit an affidavit. If you weren't at the meeting and need details, contact me or another Executive Board member. I need to hear from the unit on this.

B. Please contact Brooke Beyer if you are interested in calling applicants. Also, please continue to direct applicants to our web site so that they can contact Mr. Rogan and Congress. See <http://nteu245.org/>.

C. Finally, the Trademark Public Advisory Committee meeting will be next Wednesday, August 14, from 1-4 p.m. on the 2nd Floor Theatre, Crystal Park 2. The afternoon session is open to the public. Topics to be discussed include the RIF and the Strategic Plan. I encourage you to attend all or some of the session. If you want more details, go to:
