[In response to the attached message from Mr. Breckenfeld, I have attempted to update the Attorney Advisor distribution list I used yesterday. I apologize for any inconvenience. bob a.](#)

On July 11, 2002, Howard L. Berman, Ranking Member, Subcommittee on Courts, the Internet and Intellectual Property, sent a letter to Mr. Rogan with several questions regarding the reduction in force. Mr. Rogan responded to the letter on July 24, 2002. The letter from Representative Berman, Mr. Rogan's letter, and several attachments to Mr. Rogan's letter are attached to this e-mail. Two supplemental attachments are also enclosed that may provide a little more insight into overall inventories of new and amended cases and filings and trends in filings.
