Subject: RE: Follow-up on the production bonus cap

As you know, Commissioner Beresford has scheduled a question and answer session for next Wednesday, March 4 at 1:00 in the Madison North Auditorium to address concerns raised by the bonus cap and the current economic climate. The Commissioner has indicated that she will accept questions by e-mail if that is your preference. While we encourage you to submit questions directly to the Commissioner before Wednesday, we understand that many of you would rather have your questions presented anonymously. To that end, we are collecting questions from the bargaining unit to be submitted to the Commissioner without names. If you have any questions you would like us to submit for you, please send them to Heather.Sapp@uspto.gov by close of business Tuesday.
