NTEU Supports

Fair Pay and Benefits

- ✓ Providing six weeks of paid parental leave for federal employees who are new parents (S. 362 and H.R. 1022).
- ✓ Expanding law enforcement officer rights to IRS Revenue Officers and CBP Seized Property Specialists (H.R. 964 and S. 424).

Ending the IRS Private Tax Collection Program

NTEU Opposes

Abolishing Key Federal Agencies

- ✗ Eliminating the Consumer Financial Protection Bureau (H.R. 1031 and H.R. 10), Environmental Protection Agency (H.R. 861) and Internal Revenue Service (H.R. 25 and S. 18).

Gutting Your Workplace Rights

- ✗ Eliminating employee due process, appeal and representation rights and limiting collective bargaining (H.R. 559, H.R. 1364 and H.R. 3257).
- ✗ Restricting employee bonuses (S. 696).
- ✗ Imposing unfairly harsh penalties against federal employees who owe taxes (H.R. 396).

Threats to Financial Regulatory Agencies

- ✗ Gutting the Consumer Financial Protection Agency and weakening the Federal Deposit Insurance Corporation, Comptroller of the Currency, National Credit Union Administration and Securities and Exchange Commission (H.R. 10).

THREATS TO STAY ON TOP OF

- ✗ Congress is considering budgets that call for significantly raising the amount that current employees have to pay toward the Federal Employees Retirement System (FERS) translating into a 6 percent pay cut for the majority of federal workers; basing future retirement benefits on the average of the highest five years of salary instead of the current three; eliminating the FERS supplement for employees who retire before they can start collecting Social Security at age 62; eliminating the cost-of-living adjustments for all FERS retirees; reducing the cost-of-living adjustments for Civil Service Retirement System (CSRS) retirees; and transitioning employees to just Social Security and the Thrift Savings Plan by eliminating the FERS defined pension.
- ✗ The administration's executive order reorganizes the federal government by reducing the workforce and privatizing jobs.
